

DUCAMZ CLIENTS

- Paperless declarations can be made remotely with an electronic signature with no need for you to provide hard copies to Customs (although commercial law does require that you store the documentation for up to 5 years).
- Pre-clearance enabling which will improve your service delivery times.
- The option to Amend and Cancel declarations online.
- No more document submission.
- Declarations can be made 24/7.

M1

100% Inspection

Every container is inspected

Lengthy Process

Lots of manual work to be done for clearance

Vehicle Details
